1. Public Comments (3 minutes per individual):

- a) Marie Streater: Why are the attorney fees experiencing such an increase? Ms. Roe said the District is in the process of rectifying excessive ER connections and updating the billing for a few properties in the District. The District will seek legal counsel to ensure they follow the law and treat all parcels fairly and equitably. She then asked if the recent efforts for the recall election are part of the increase for legal fees. Ms. Edwards responded and said that the attorney fees incurred in the existing fiscal year would not be included in the upcoming fiscal year.

With no further comments from the public Chairwoman Meyer closed the hearing at 6:29 PM following a motion from Mr. May and seconded by Ms. Edwards. All were in favor, motion carried.
