A RESOLUTION of the Board of Directors of Bayview Water and Sewer District, Kootenai and Bonner Counties, Idaho, calling a special election to be held on May 19, 2020; providing for the submission to the qualified electors of the District a proposition authorizing the issuance of water revenue bonds in the aggregate principal amount of not to exceed \$3,400,000, for the purpose of providing the funds for the acquisition, construction, and installation of certain improvements, additions and betterments to the District's water system; for public notice of said election; providing for the appointment of the County Clerk to conduct the election; providing for the effective date of this resolution; and providing for other matters properly relating thereto.

BE IT RESOLVED by the Chairman and Board of Directors of Bayview Water and Sewer District, Kootenai and Bonner Counties, Idaho, as follows:

WHEREAS, Bayview Water and Sewer District, Kootenai and Bonner Counties, Idaho (the "District"), is a duly existing water and sewer district organized and operating under the laws of the State of Idaho; and

WHEREAS, it is hereby determined by the Board of Directors of the District (the "Board") to be necessary and essential to the health, safety, comfort, and welfare of the inhabitants of the District to acquire, install, and construct certain improvements, additions and betterments to its water system ("System"); and

WHEREAS, The District's Water Facility Plan calls for future improvements to the water system at an estimated total cost of \$3,400,000 and the Board has determined to finance a portion of the costs of the acquisition and construction of said improvements, additions and betterments by the issuance of water revenue bonds in the principal amount of not to exceed \$3,400,000 (the "Bonds"), pursuant to the provisions of the Revenue Bond Act of the State of Idaho, Sections 42-4101 to 42-4115, inclusive, Idaho Code, and the Municipal Bond Law of the State of Idaho, Chapter 2 of Title 57, Idaho Code; and

WHEREAS, Idaho Code §42-4109 provides that the question of whether or not the Bonds may be issued and sold for such purposes must be submitted to the qualified electors of the District and cannot be issued without the assent of a majority of the qualified electors of the District voting in an election called for this purpose; and

WHEREAS, to authorize the Bonds, the Board has determined to call and conduct a special municipal bond election for the aforesaid purposes as required by the Revenue Bond Act; and

WHEREAS, pursuant to the provisions of the Idaho Code, the District has elected to have the County Clerk conduct the election under the provisions of Title 34, Chapter 14, and Title 42, Chapter 41;

NOW, THEREFORE, BE IT FURTHER RESOLVED by the Chairman and Board of Directors of Bayview Water and Sewer District, Kootenai and Bonner Counties, Idaho, as follows:

Section 1. THE PROJECT

A. It is deemed necessary and advisable that the District acquire, construct and install certain improvements, additions and betterments to the District's water system (the "System") to serve the residents of the District and surrounding areas (the "Project"). The Project shall consist of the following:

(1) The rehabilitation of the District's existing storage tank in order to address safety issues and extend its useful life;

(2) The acquisition, construction, and installation of a new transmission line to replace leaking and aging pipes in the Farragut area;

(3) The acquisition, construction and installation of a new distribution/transmission main on the west side of Bayview and a separate pipeline to the Dromore area to increase pressure and fire flow;

(4) The acquisition, construction and installation of improvements at Wells 7 and 8 and a back-up generator at Well 8 to meet IDEQ requirements;

(5) The acquisition, construction and installation of other necessary improvements, additions and betterments to the System;

(6) Payment of consultant fees, engineering fees, administrative costs, accounting fees, legal fees and all other costs incidental thereto; together with the purchase of sites and easements therefor and all agreements, appurtenances and equipment necessary or useful with said Project, all pursuant to the preliminary plans and specifications of the District therefor which are being prepared by JUB Engineers, Coeur d'Alene, Idaho, heretofore selected by the Board for such purpose and on file in the office of the Secretary/Treasurer of the District; and

(7) Payment of the costs of issuance of the Bonds.

B. The estimated cost and expense of the acquisition, installation, and construction of the Project is approximately \$3,400,000, all of which may be paid out of the proceeds of the Bonds, including the cost of issuing and selling the Bonds as such expenses are set forth in the Municipal Bond Law. To the maximum extent available, the costs of the Project will be paid with other legally available funds, including grant funds and other funds of the District, thereby reducing the principal amount of Bonds issued.
