

RATE SCHEDULE (EXHIBIT A)

June 25, 2026

All rates, fees, and charges listed herein are adopted pursuant to District ordinance, resolution, or action of the Board of Directors and are subject to change. Rates apply to all properties with services available or connected, as applicable, whether or not services are utilized.

SECTION 1 – WATER RATES

1.1 Base Monthly Water Service Rate

- \$28.00 per dwelling unit or commercial unit, per month
- All residential dwelling units shall be billed one Base Monthly Service Rate per dwelling, regardless of structure type, including single-family, duplex, multi-family, ADUs, condominiums, and full-time occupied RVs.

1.2 Water Consumption Charges

- 0–5,000 gallons: Included in base rate
- Over 5,000 gallons: \$1.75 per 1,000 gallons

1.3 Water Bond – Debt Service Surcharge

- \$17.76 per dwelling unit or commercial unit, per month.
- This amount will decrease throughout the year as new connections are made and the cost is evenly distributed. This figure will be update annually on this Rate Schedule at the end of the fiscal year on November 30.
- Applied to repay the Revenue Bond authorized by the May 2020 election. This surcharge will remain in effect until the bond is paid in full and may be adjusted as required.

1.4 Water Standby Fee (Vacant Lots with Meter and No Connection to Meter)

- Vacant parcels with an installed District water meter but no customer-side service connection, shall be billed a monthly Water Standby Fee.
- The Water Standby Fee shall be equal to one-half ($\frac{1}{2}$) of the current Base Monthly Water Service Rate.

- This fee reserves capacity within the District water system and supports the ongoing maintenance, operation, and availability of infrastructure serving the property.
- No water consumption allowance is included with the Water Standby Fee.
- Upon connection of the property to the water system, the account shall be converted to the applicable Base Monthly Water Service Rate.

1.4 Winter Billing (Meters Not Read)

- During winter months (November–April), customers are billed the Base Monthly Water Service Rate plus the Debt Service Surcharge.
- The April bill will reconcile actual usage for November–April.
